MEDICINAL.

"To say a pleasant word to anyone was almost impossible."

"I was troubled with female weakness for eight years, and suffered more than I can tell," writes Mrs. Gust. Moser of Orlando, Des Moines, Iowa. "My disposition was affected to such an extent that to say a pleasant word to anyone was almost impossible."

"I had two operations performed, by one of the most skilled surgeons of the West, but did not get relief. Then, against my doctor's strict orders, I commenced taking Dr. Pierce's Favorite Prescription, and also followed the advice given in the Common Sense Medical Adviser."

"I continued this treatment for three months, and to-day am as healthy and well as a woman can be. I cannot thank Dr. Pierce enough for his kind letters to me."

Womanly diseases, as a rule, spoil the "disposition," because of the extreme nervousness and suffering they cause. Happiness as well as health is restored to the woman whose diseased condition is cured by the use of Dr. Pierce's Favorite Prescription.

After eight years of suffering and two fruitless operations, three months' use of "Favorite Prescription" restored Mrs. Moser to perfect health. This great remedy for woman's ills, establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness.

The Common Sense Medical Adviser, 700 large pages, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

CATARRH Nasal Catarrh

In all its stages there should be cleanliness. Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

CREAM BALM is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents at Druggists or by mail: Trial Size, 10 cents by mail. ELY BROTHERS, 66 Warren Street, New York.

Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only cure indigestion and dyspepsia, but this famous remedy cures all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

MR. WISE AGAIN.

Mr. John Wise is still reiterating the observation to the effect that "the race feeling in the South is liable to result in a bloody outbreak of the negroes at any time, with the present state of things."

He made this prediction in a speech at Philadelphia Wednesday night last, and repeated it the next night before the Middlesex Club in Boston. Saturday

Mr. Wise elaborated his views to a reporter in New York. He asked: "Who knows what the negro is doing at night? He will not stand the treatment he is receiving always. The negro lawyer Hayes predicted the other day at Washington that there would be Nat Turner outbreaks. When the race war comes, if it does come, then I as a white man will be found fighting on the side of my race, but it is our duty as the stronger race to prevent it. The negro's feeling for the white man is hatred. Before the war his greeting was a smile and a hearty 'How d'ye do, Massa.' Now he passes with a furtive scowl. The federal government has either got to enforce the law or repeal it."

Mr. Wise continued emphatically, "It must meet the issue, not wink at it. If the South will stop its lynching, cheating and ballot-box stuffing, and come forward in a manly way and appeal to the federal government for white supremacy, I believe the law would be repealed. The way the South had dealt with the question is degrading. It is breeding for us a mongrel race like that of Spain. It is creating a degeneracy among my people. I fought in the Confederate army, and my father was among those who refused to take the pledge that meant government with a negro electorate. Others took it, knowing that it was not sincere. My father knew they were entering upon a career of race-hatred that would degrade them and destroy the integrity of the southern people. Cheating negroes out of their ballot became the fashionable employment of men who call themselves gentlemen. When I saw a vestryman of a Baltimore church allow a Baltimore thug to vote without challenge, impersonating his minister, I had enough of democratic politics forever. The character of southern public men has deteriorated until they now have no influence or consideration whatever in public affairs. Everybody recognizes them as holding office by cheating negroes and violating plighted faith. Their methods render it impossible for the best and representative men of the States to secure nominations or even to accept them if tendered."

HARD ON CONNECTICUT.—Rev. H. L. Hutchins connected to the Federation of Churches at New Haven, Conn., yesterday that he has found polygamy practiced in Connecticut, and an appalling state of illiteracy, immorality, political corruption and a growing proportion of imbecility in rural sections. He is an agent for the Connecticut Bible Society. Hard cider and the exceptionally poor state of the public school system were mentioned as the causes, and added to these causes, the growing habit of intermarriage between blood relations. In many towns the churches are deserted, he says, and "Godliness is only a tradition." The town of Ashville was cited as one place where some of the inhabitants are opium eaters. "I have three sons," said Mr. Hutchins, "and if I were compelled to make choice of sending them to live among these illiterate people of the northwestern part of the State or down in the slums of New York I would choose the slums." In public schools a male teacher's salary is sometimes only \$5 a week, he stated. He found 11 men teaching schools whose income was \$19.33 a month. Murder, arson and unmentionable crimes are committed by such people, he says, whose moral sense has become blighted. Mr. Hutchins was surprised to find that, despite occasional polygamy and frequent laxity of morals, the average number of children to a family is less in the rural districts than in urban communities.

"RIOT CARTRIDGES" READY.—The War Department has sent notice to the Governors of each State of the Union that it is prepared to supply them upon demand and according to their legal allowances with "riot cartridges."

This is a new form of ammunition prepared by the experts of the Ordnance Bureau to enable officers of the law and soldiers to repel rioters with the least possible loss of life to the "innocent spectator." The shell is like that of the regular shell used in the army rifle, with the important exception that, instead of the long nickel-plated and steel clad bullet two balls are placed in the mouth. The design was apparently to secure something of greater range than buckshot, yet not dangerous to persons at a distance. The cartridge is charged with about 84 grains of smokeless powder. The balls are made of a mixture of lead and tin in the proportion of 16 to 1 and are slightly coated with paraffin. The diameter of the ball is 0.308 inch

If you buy HAYNER WHISKEY you save at least \$1.00 on every good, or \$1.25 a gallon. We sell two gallons for about the same as you pay for one gallon of probably poorer whiskey. That's why it's so good and so cheap. That's why we have over a quarter of a million satisfied customers. That's why YOU should try it. Your money back if you're not satisfied.
